## About the Fund

Pak-Qatar Islamic Asset Allocation Fund primary goal is to achieve a potentially robust return by strategically allocating assets among various shariah-compliant Equity Instruments, shariah-compliant Fixed Income Instruments, shariah-compliant Money Market Instruments, and other permissible shariah-compliant Instruments sanctioned by the SECP and our Shariah Advisor.

## Investment Approach

The Fund will proactively distribute its portfolio across equity asset classes and fixed income/money market asset classes. This allocation will be guided by the fund manager's comprehensive macroeconomic assessment of these asset classes.

## Key Advantages

- Potential for up to 90% equity involvement, reflecting the Fund Manager's market outlook, complemented by fixed income exposure (for PQIAAP IIIA only).
- Achieve efficient portfolio diversification through a single investment vehicle, reducing long-term portfolio volatility and enhancing risk-adjusted returns
- Offers investors the prospect of long-term capital appreciation via a comprehensive blend of asset classes
- Sustained asset allocation upheld through ongoing rebalancing
- Your savings expertly managed by seasoned fund managers boasting a demonstrated history of success

## Select This Fund If You Desire

- An adept allocation of resources in both high-risk and low-risk assets, with the commitment of the Fund Manager to dynamic asset distribution based on prevailing market perspectives
- Long-term capital growth
- Enhanced diversification achieved through the strategic integration of diverse asset classes within your comprehensive investment portfolio
